

REPORTING on OPERATION INASMUCH

Your church has undertaken one of the most exciting and effective ministries in the country for mobilizing believers in response to the needs of their community. In an effort to communicate what happened in your Operation Inasmuch event and help us improve the work, we ask that you complete and return the enclosed reporting form.

Collecting this information will be a valuable resource for future community mission activities. Our goal in tracking this information is to determine where we are successful and where we need to make improvements. Among other things, tracking this information:

- *Lets us see where God is working;*
- *Holds us accountable;*
- *Communicates clearly what we are doing;*
- *Changes our assumptions;*
- *Gives us a history; and*
- *Gives us vital information about the health of the ministry.*

Therefore, we are asking that you take a few minutes to complete the simple form and send us a copy using the enclosed self-addressed envelope.

There are two forms associated with this letter: Church Reporting Form and Project Report Form.

Church Reporting Form: This Report is to be completed by the Operation Inasmuch Coordinator or Chair of the Planning Team drawing on the information provided by the Project Leaders in their Operation Inasmuch Project Reports, a copy of which is included with this form.

Operation Inasmuch Project Report: Make copies and provide one for each Project Leader and ask him/her to complete it and return it to you no later than the day after your Operation Inasmuch event. Use this information to complete the "Church Reporting form".
